Other Pertinent Information:

The information on this card will be held in strict confidence and is only to be used for emergency contact in the event of an occurrence at the above listed address.

Signed: -----

Enlisting the police department to keep an eye out for suspicious activity while you are away does not guarantee against loss, theft, damage or criminal mischief, but it can be a useful deterrent to anyone who may be considering accessing your home for criminal purposes. Please note that enrollment does not create a special duty upon the police department to monitor your home. Patrol Officers will conduct visual inspections of your home's exterior as time and manpower permits.
